CHAPTER 567

AN ACT to create 66.902 (6) (c) of the statutes, relating to prior service credit in counties under the Wisconsin retirement fund.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

66.902 (6) (c) of the statutes is created to read:

66.902 (6) (c) Any such county which has elected to grant prior service credit to its employes on the one or 1½ basis may, within 10 years after the effective date for such municipality, elect to change the basis upon which the prior service credit of all persons who are then participating employes shall be computed to be the 1½ or 2 basis. Any such election shall be made by the county by using the appropriate part of the procedure which such county would then use if it were originally electing the basis upon which to grant prior service credit to its employes. When any such election to change the basis for computing prior service credits has become effective in any county, the governing body thereof shall certify such fact to the Wisconsin retirement fund which shall, as of the effective date for such county, recompute the prior service credit which had been granted to any person who has never been an annuitant and who is a participating employe of such county at the time such election becomes effective.
